Qualification Description

This qualification provides a general vocational outcome in agribusiness. It reflects the role of individuals who apply substantial specialised knowledge and skills to the managerial role in an organisation or business area. In these roles they make significant high-level independent judgements in major planning, research, design, operational, compliance and management functions within highly varied or specialised agribusiness contexts.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

Candidates must enter the qualification through one of the following entry points which demonstrate their potential to undertake study at graduate level:

- an Advanced Diploma or Diploma qualification relevant to an agrifood industry
- relevant extensive vocational experience in middle management in an agrifood industry at a skill level commensurate with the AQF level 6 attributes and criteria
- higher education qualification (e.g. Bachelor Degree), with relevant vocational experience in an agrifood industry.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 4 units of competency:
    - 0 core units plus
    - 4 elective units.

The electives are to be chosen as follows:

- 3 units of competency from Group A: Business Leadership Stream
- 1 unit of competency from either Group A, not previously selected, or Group B: Technical Stream, or from a relevant Graduate Certificate or Diploma from this Training Package or any other Training Package or accredited course.

Selected units must be relevant to job outcomes in agribusiness and must be chosen to ensure the integrity of the qualification outcome at AQF level 8.
