Qualification Description

This qualification provides a general vocational outcome in agribusiness. It reflects the role of individuals who apply substantial specialised knowledge and skills to the senior managerial and leadership role in an organisation or business area. In these roles they are required to generate and evaluate complex ideas, and to initiate, design and execute the major planning, research, design, operational, compliance and management functions within highly varied or specialised agribusiness contexts. Typically, they would have full responsibility and accountability for the personal output and work of others.

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

Candidates must enter the qualification through one of the following entry points which demonstrate their potential to undertake study at graduate level:

- an Advanced Diploma or Diploma qualification relevant to an agrifood industry
- relevant extensive vocational experience in middle management in an agrifood industry at a skill level commensurate with the AQF level VI attributes and criteria
- higher education qualification (e.g. Bachelor Degree), with relevant vocational experience in an agrifood industry.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 8 units of competency:
  - 0 core units plus
  - 8 elective units.
