

# Assessment Requirements for AMPA2012 Mark brisket

Release: 1

## Assessment Requirements for AMPA2012 Mark brisket

## **Modification History**

Release	TP Version	Comment
1	AMPv2.0	Initial release

#### **Performance Evidence**

The candidate must score or mark the brisket prior to the brisket being cut, to allow evisceration of the carcase.

The candidate must:

- mark the brisket in accordance with work instructions
- comply with workplace health and safety requirements for marking the brisket
- · apply relevant workplace and regulatory requirements
- apply the workplace health and safety requirements for working in the evisceration area

# **Knowledge Evidence**

The candidate must demonstrate a basic factual, technical and procedural knowledge of:

- the purpose and importance of marking the brisket in accordance with work instructions
- possible sources of contamination and cross-contamination while marking the brisket and how these are avoided
- relevant work instructions
- relevant regulatory and workplace requirements
- workplace health and safety requirements for working in the evisceration area

#### Assessment Conditions

Assessment must occur in the workplace under normal conditions.

Competency must be demonstrated at normal chain speed.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time

Assessors must satisfy the current standards for RTOs.
