**Release: 1**

# Assessment Requirements for AMPA2026 Operate whizzard knife

## Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

## Performance Evidence

The candidate must operate and maintain a whizzard knife.

The candidate must:

- operate a whizzard knife competently and safely in accordance with the work instructions for one work station in a meat processing operation
- identify potential sources of contamination
- perform basic maintenance of the knife
- follow hygiene and sanitation procedures for the use of the knife at a particular work station
- follow workplace health and safety procedures for the use of the knife at a particular work station
- apply relevant regulatory requirements

## Knowledge Evidence

The candidate must demonstrate a basic factual, technical and procedural knowledge of:

- basic operating principles
- workplace health and safety requirements related to using the knife
- work instructions for a particular work station
- relevant regulatory requirements
- hygiene and sanitation requirements for a particular work station

## Assessment Conditions

Assessment must occur in the workplace under normal production conditions.

Competency must be demonstrated at normal chain speed.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time

Assessors must satisfy the current standards for RTOs.
