**Release: 1**

# AMPA2085 Bar head and remove cheek meat

## Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

## Application

This unit describes the skills and knowledge required to bar heads and remove cheek meat.

This unit is applicable to workers recovering cheek meat on slaughter floors or in a head room.

All work should be carried out to comply with workplace and hygiene requirements.

This unit applies to individuals who work under general supervision, exercise limited autonomy and have some accountability for their own work.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

This unit must be delivered and assessed in the context of Australian meat processing standards and regulations.

## Pre-requisite Unit

AMPX209 Sharpen knives

## Unit Sector
