Application

This unit describes the skills and knowledge required to safely and hygienically store and refrigerate carton meat in chillers and freezers.

This unit is applicable to those working in chiller or freezer meat storage facilities at boning rooms, meat processing plants, wholesalers, wild game processing plants, food services operations, cold stores or smallgoods processing enterprises.

All work should be carried out to comply with workplace and hygiene requirements.

This unit applies to individuals who work under general supervision, exercise limited autonomy and have some accountability for their own work.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

This unit must be delivered and assessed in the context of Australian meat processing standards and regulations.

Pre-requisite Unit

Nil.
