## AMPA2113 Bag carcase

### Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

### Application

This unit describes the skills and knowledge required to bag carcasses in a chiller.

This unit is applicable to workers bagging carcasses usually in meat processing plants prior to loadout or freezing.

All work should be carried out to comply with workplace and hygiene requirements.

This unit applies to individuals who work under general supervision, exercise limited autonomy and have some accountability for their own work.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

This unit must be delivered and assessed in the context of Australian meat processing standards and regulations.

### Pre-requisite Unit

Nil.

### Unit Sector
