Assessment Requirements for AMPA3026 Perform rumping cuts

Release: 1

Assessment Requirements for AMPA3026 Perform rumping cuts

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Performance Evidence

The candidate must remove the hide from the rump area.

The candidate must:

- locate cutting lines for rumping
- complete rumping according to work instructions
- use correct cutting lines
- demonstrate effective knife skills
- apply communication skills relevant to work instructions and Standard Operating Procedures (SOPs)
- apply relevant regulatory and workplace requirements

Knowledge Evidence

The candidate must demonstrate a factual, technical, procedural and theoretical knowledge of:

- workplace health and safety requirements at all times
- economic impact of nicked, soiled or damaged hide and scored meat
- relevant work instructions
- relevant regulatory and workplace requirements
- general anatomy of carcass relevant to the task

Assessment Conditions

Assessment must occur on a slaughter floor under normal operating conditions.

Competency must be demonstrated at normal production speed.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time

Assessors must satisfy the current standards for RTOs.
