Performance Evidence

The candidate must prepare and present offal for inspection to a government authorised meat safety officer.

The candidate must:

- handle offal to avoid bile, ingesta, excreta or content contamination
- present offal for inspection in accordance with regulatory, workplace health and safety, hygiene and sanitation, and workplace requirements
- identify the organs processed on the viscera table

Knowledge Evidence

The candidate must demonstrate a factual, technical, procedural and theoretical knowledge of:

- inspection process
- workplace, health and safety, hygiene and sanitation, and regulatory requirements for the presentation of offal for inspection

Assessment Conditions

Assessment must be conducted on an operating slaughter floor.

Competency must be demonstrated at the normal rate of production.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time

Assessors must satisfy the current standards for RTOs.
