Assessment Requirements for AMPA3107 Manage NLIS data for saleyard purchase of livestock

Assessment Requirements for AMPA3107 Manage NLIS data for saleyard purchase of livestock

Modification History

Release	TP Version	Comment
1	AMPv2.0	Initial release

Performance Evidence

The candidate must manage the National Livestock Identification System (NLIS) responsibilities for livestock identified by Radio Frequency Identification Devices (RFIDs) purchased at a saleyard, prior to their arrival at an abattoir.

The candidate must:

- view and assess pre-sale information
- confirm destination information
- complete purchase
- secure PSS or buyer's reconciliation report
- notify receiving plant of stock transfer details
- read and interpret a pre-sale catalogue
- read and interpret an NVD
- read an interpret a PSS
- use communication skills relevant to work instructions and Standard Operating Procedures (SOPs) to interact with agents, raise and explain issues and problems
- use negotiation skills to resolve issues such as problems with original location, incomplete NVDs or PICs
- use mathematical skills to validate data on PSS
- take appropriate steps to minimise workplace health and safety risks when working with livestock

Knowledge Evidence

The candidate must demonstrate a factual, technical, procedural and theoretical knowledge of:

- the NLIS system, including the origin and nature of the system, its commercial importance, role in food safety and importing country requirements, role in traceability
- NLIS regulatory requirements in relation to abattoirs
- purpose, nature of and regulations underpinning the use of PICs
- role and responsibilities of regulators, and other bodies such as MLA in relation to NLIS
- status, abbreviations and what they mean, and the required actions to be taken in response

- how to deal with problems of original location

Assessment Conditions

Assessment must be conducted in the workplace.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time

Assessors must satisfy the current standards for RTOs.
