Release: 1

AMPCOR205 Communicate in the workplace

Modification History

Release	TP Version	Comment
1	AMPv1.0	Initial release

Application

This unit describes the skills and knowledge required to carry out workplace communication practices. It includes the competencies to identify the enterprise's communication channels, use communication skills to undertake and complete workplace requirements, and contribute to positive workplace relations.

This unit can be used as part of a meat establishment workplace induction program introducing an individual to the industry and workplace communication requirements.

This unit must be delivered and assessed in the context of Australian meat industry standards and regulations.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

Pre-requisite Unit

Nil.

Unit Sector
