Release 1	This version released with AMP Australian Meat Processing Training Package Version 8.0.

Application

This unit describes the skills and knowledge required to oversee the handling and the slaughtering/euthanising of animals by a range of company personnel and/or government inspection staff to meet regulatory requirements.

Ensuring animals are produced, handled and slaughtered humanely is the responsibility of both regulatory authorities and companies. This unit is therefore applicable to meat safety officers, lairage supervisors, animal welfare officers and quality assurance (QA) officers in meat processing establishments, and to livestock production, transport and saleyard staff.

All work must be carried out to comply with workplace procedures, according to state/territory health and safety, food and meat safety regulations, legislation and standards that apply to the workplace.

No licensing, legislative or certification requirements are known to apply to this unit at the time of publication.
