Release 1	This version released with AMP Australian Meat Processing Training Package Version 1.0.

Application

This unit describes the skills and knowledge required to calculate costs and set prices of meat and meat products.

This unit is applicable to workers in meat retail operations.

All training must be conducted in accordance with Australian meat industry standards and regulations.

All work should be carried out to comply with workplace requirements.

This unit applies to individuals who work under broad direction and take responsibility for their own work.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

Pre-requisite Unit

Nil
