Assessment Requirements for AMPR317 Assess and sell poultry products

Release: 1

Assessment Requirements for AMPR317 Assess and sell poultry products

Modification History

Release	TP Version	Comment
1	AMPv1.0	Initial release

Performance Evidence

Evidence must demonstrate the candidate's consistency of performance over time at production speed.

The candidate must:

- identify poultry cuts according to label on cartons as appropriate
- select cuts correctly by species and cut according to workplace requirements
- select poultry to customer and workplace requirements
- identify cuts correctly by species and cut, according to workplace specifications
- remove defects from products according to workplace, hygiene and regulatory requirements
- record and communicate outcomes of poultry product assessment according to workplace requirements
- apply relevant communication and mathematical skills
- apply relevant regulatory requirements in relation to selling poultry

Knowledge Evidence

The candidate must demonstrate a factual, technical, procedural and theoretical knowledge of:

- normal causes of contamination of poultry
- hygiene requirements specific to poultry (including salmonella risk)
- methods of assessing poultry according to specifications
- legislation regarding growth promotants in poultry
- workplace health and safety implications of the slippery and moist nature of poultry
- difference between growth promotants and antibiotics
- difference between organic, free range and conventional poultry products
- workplace, workplace health and safety, hygiene and sanitation requirements in relation to assessing poultry
- relevant regulatory requirements in relation to selling poultry

Assessment Conditions

Competency must be demonstrated over time and under typical operating conditions for the enterprise.

Assessment must occur in the workplace under normal workplace conditions or in a simulated environment.

The following three forms of assessment must be used:

- quiz of underpinning knowledge
- demonstration in the workplace or simulated environment
- workplace referee or third-party report of performance over time

Assessors must satisfy current standards for RTOs.
