Application

This unit covers the skills and knowledge required to prepare semi-dried and fermented products such as salami, mettwurst or prosciutto in a smallgoods manufacturing establishment.

This unit is applicable to workers manufacturing fermented meat products in smallgoods processing plants or smaller specialist smallgoods producers.

All work should be carried out to comply with workplace procedures, customer requirements and product specifications.

This unit applies to individuals who work under broad direction and take responsibility for their own work including limited responsibility for the work of others. They provide and communicate solutions to a range of predictable problems.

No occupational licensing, legislative or certification requirements are known to apply to this unit at the time of publication.

This unit must be delivered and assessed in the context of Australian meat processing standards and regulations.
