**Release 1**

# AMPSS00061 Animal Welfare Officer Assistant Skill Set

## Modification History

Release	Comments
Release 1	This version released with AMP Australian Meat Industry Training Package Version 3.0.

## Description

This Skill Set describes the skills and knowledge to ensure the safe and humane receipt of stock.

## Pathways Information

These units of competency provide credit toward the Certificate III in Meat Processing (Livestock Handling) and the AMPSS00001 Animal Welfare Officer Skill Set.

The units of competency comprising the Animal Welfare Officer Skill Set are drawn from AQF levels II and III meat industry qualifications, and can be counted towards these qualifications and qualifications from other Training Packages, where this is in accordance with the qualification requirements.

## Licensing/Regulatory Information

No occupational licensing or regulatory requirements apply to this skill set at the time of publication.

## Skill Set Requirements

- AMPA3136 Monitor welfare of stock during out-of-hours receipt
- AMPA2006 Apply animal welfare and handling requirements

## Target Group

This skill set is for an employee who works out of normal production hours and is responsible for livestock receipt out-of-hours (e.g. weekends or nights).

## **Suggested words for Statement of Attainment**

These competencies from the AMP Australian Meat Processing Training Package meet the industry requirements for ensuring the safe and humane receipt of stock.
