Assessment Requirements for AMPX219 Follow electronic labelling and traceability systems in a food processing establishment

Assessment Requirements for AMPX219 Follow electronic labelling and traceability systems in a food processing establishment

Modification History

Release	Comments
Release 1	This version released with AMP Australian Meat Processing Training Package Version 4.0.

Performance Evidence

An individual demonstrating competency must satisfy all of the elements and performance criteria in this unit.

There must be evidence that the individual has followed a workplace labelling and traceability system on at least one occasion, including:

- correctly generated product labels
- correctly applied labels to product
- checked workplace records to ensure labels are traceable and accurate
- recorded any errors according to workplace requirements.

Knowledge Evidence

An individual must be able to demonstrate the knowledge required to perform the tasks outlined in the elements and performance criteria of this unit. This includes knowledge of:

- regulatory requirements for traceability of food products
- customer or importing country requirements for traceability of products
- risks of breaches in traceability systems
- implications of food fraud to the industry
- workplace policies and procedures for:
  - operating electronic labelling system
  - reporting and recording labelling errors
- traceability requirements for:
  - regulatory bodies
  - customers.

Assessment Conditions

Assessment of skills must take place under the following conditions:

- physical conditions:
    - skills must be demonstrated in a food processing facility at normal chain speed
- resources, equipment and materials:
    - workplace electronic labelling system
- specifications:
    - workplace documents such as policies, procedures, processes and forms
    - work instructions and standard operating procedures
    - customer requirements
    - regulatory requirements.

As a minimum, the following three forms of assessment must be used:

- quiz of underpinning knowledge
- workplace demonstration
- workplace referee or third-party report of performance over time.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
