Release 1

AUR40716 Certificate IV in Automotive Body Repair Technology

Modification History

Release	Comment
Release 1	New qualification.

Qualification Description

This qualification reflects the role of individuals who perform as a team leader or workplace manager in the automotive body repair and refinishing sector. A wide range of technical skills, knowledge, leadership and supervision of others is expected.

Entry Requirements

Those undertaking Certificate IV in Automotive Body Repair Technology must have completed an automotive Certificate III in one of the following disciplines, or be able to demonstrate equivalent competency.

- AUR32116 Certificate III in Automotive Body Repair Technology
- AUR32216 Certificate III in Automotive Glazing Technology
- AUR32316 Certificate III in Automotive and Marine Trimming Technology
- AUR32416 Certificate III in Automotive Refinishing Technology

No licensing, legislative or certification requirements apply to this qualification at the time of publication.
