Assessment Requirements for AURMBA001 Transport light competition vehicles and support equipment

Modification History

Release	Comment
Release 1	New unit of competency.

Performance Evidence

Before competency can be determined, individuals must demonstrate they can perform the following according to the standards defined in this unit's elements, performance criteria, range of conditions and foundation skills:

- load and unload two different light competition vehicles, each under 300 kg of unladen weight, and support equipment on and off a vehicle transporter, including one vehicle at a sanctioned motor sport event.

Knowledge Evidence

Individuals must be able to demonstrate knowledge of:

- work health and safety (WHS) and occupational health and safety (OHS) requirements relating to transporting light competition vehicles and support equipment, including procedures for:
 - selecting and using personal protective equipment (PPE), including hearing and eye protection
 - manually handling loads
 - transporting and storing dangerous goods and hazardous chemicals
- procedures for transporting light competition vehicles and support equipment, including:
 - preparing light competition vehicles for transportation
 - preparing support equipment for transportation, including tools, tyres and wheels
 - loading and unloading light competition vehicles and support equipment
 - securing vehicles and support equipment
- procedures for cleaning and preparing transport vehicles for subsequent use, including procedures for checking restraints, mechanisms and holding points.

Assessment Conditions

Assessors must satisfy NVR/AQTF assessor requirements.

Competency is to be assessed in the workplace or a simulated environment that accurately reflects performance in a real workplace setting.

Assessment must include direct observation of tasks.

Where assessment of competency includes third-party evidence, individuals must provide evidence that links them to the light competition vehicles that they have transported, e.g. team event documentation.

Assessors must verify performance evidence through questioning on skills and knowledge to ensure correct interpretation and application.

The following resources must be made available:

- two different motor sport events, including one sanctioned event
- PPE, including hearing and eye protection
- two different light competition vehicles and support equipment requiring transport to a motor sport event
- vehicle transporter suitable for a light competition vehicle.
