Release 1	New unit of competency.

Application

This unit describes the performance outcomes required to perform the assigned duties of a marshal at a motor sport event. It involves pre-event preparation, and carrying out general or assigned duties, such as paddock marshal, assembly marshal, grid marshal, pit marshal, communications marshal, course marshal or sector marshal. It requires the ability to observe event conditions and activities in own area of responsibility and correctly apply rules and regulations to ensure safety and compliance.

It applies to those working in the motor sport industry. The unit does not apply to the role of a flag marshal.

No licensing, legislative, regulatory or certification requirements apply to this unit at the time of publication.
