# **AURMLA001 Apply motor sport rules and regulations when officiating**

**Release: 1**

# AURMLA001 Apply motor sport rules and regulations when officiating

## Modification History

Release	Comment
Release 1	New unit of competency.

## Application

This unit describes the performance outcomes required to apply the relevant rules and regulations of a motor sport event when acting as an official or volunteer at the event. It requires an understanding of the consequences of not following event rules and regulations. It includes the application of some basic strategies to prevent and/or deal with minor disputes regarding decisions made.

It applies to those working in the motor sport industry.

No licensing, legislative, regulatory or certification requirements apply to this unit at the time of publication.

## Competency Field

Motor Sport

## Unit Sector

Regulatory or Legal

## Elements and Performance Criteria

Elements	Performance Criteria
Elements describe the essential outcomes.	Performance criteria describe the performance needed to demonstrate achievement of the element. Where bold and italicised text is used, further information is detailed in the range of conditions section.
1. Assess motor sport event conditions	1.1 Event documentation is read and interpreted, including category rules and supplementary regulations 1.2 Participant status and criteria for event or competition are assessed
