AURSCA008 Wholesale used motor vehicle stock

Release: 1

AURSCA008 Wholesale used motor vehicle stock

Modification History

Release	Comment
Release 1	New unit of competency.

Application

This unit describes the performance outcomes required to research both own workplace records and retail buyer requirements in order to determine surpluses and used motor vehicle stock to sell on the wholesale market. It involves analysing data from a range of sources to inform decisions about market demand for used motor vehicle stock.

It applies to those working in the automotive sales and service industry.

No licensing, legislative, regulatory or certification requirements apply to this unit at the time of publication.

Competency Field

Sales and Parts, Administration and Management

Unit Sector

Sales and Marketing
