- Unit AVIM0007 deleted due to zero enrol

Release 1. This is the first release of this qualification in the AVI Aviation Training Package.

Qualification Description

This qualification reflects the roles of individuals delivering training and assessment services usually within aviation Registered Training Organisations (RTOs) or flight training organisations.

This qualification is also suitable preparation for those engaged in the delivery of training and assessment of competence in an aviation workplace context, as a component of a structured vocational education and training (VET) program.

Flight instruction duties include applying technical and non-technical aviation and vocational skills and knowledge to a wide range of learners, operating conditions and aviation environments.

Individuals working at this level will apply knowledge and skills to demonstrate autonomy, judgement and defined responsibility in known or changing contexts within broad but established parameters.

This qualification forms some of the requirements for certification as a flight instructor by the Civil Aviation Safety Authority (CASA) as directed by Civil Aviation Safety Regulation (CASR) Part 61 Flight crew licensing.

People seeking certification should check these requirements with CASA.

Occupations include:

- Flight Instructor – Grade 3
- Flight Instructor – Grade 2
- Qualified Flying Instructor - Military

Entry Requirements

Commercial or military pilot entrants to this qualification should check requirements with CASA or Defence Aviation for certification and/or flight hour requirements or be able to demonstrate equivalent competence.
