AVIO2013 Undertake emergency response action to a security threat

Release: 1

AVIO2013 Undertake emergency response action to a security threat

Modification History

Release 1. This is the first release of this unit of competency in the AVI Aviation Training Package.

Application

This unit involves the skills and knowledge required to undertake emergency response action to a security threat, in compliance with relevant regulatory requirements of the Civil Aviation Safety Authority (CASA) and national operating standards.

It includes selecting emergency actions to be applied, maintaining communications and reporting the incident in accordance with established procedures.

This unit addresses aviation non-technical skill requirements (mental, social and personal-management abilities) related to security duties of aviation personnel, and contributes to safe and effective performance in complex aviation operational environments.

Operations are conducted as part of recreational, commercial and military aircraft activities across a variety of operational contexts within the Australian aviation industry.

Work is performed independently or under limited supervision as a single operator or within a team environment.

Work is performed independently or under limited supervision within a single-pilot or multi-crew environment.

Licensing, legislative, regulatory or certification requirements are applicable to this unit.

Use for Defence Aviation is to be in accordance with relevant Defence Orders, Instructions, Publications and Regulations.

Pre-requisite Unit

Not applicable.

Competency Field

O – Security

Unit Sector

Not applicable.

Elements and Performance Criteria

ELEMENTS		PERFORMANCE CRITERIA	
Elements describe the essential outcomes.		Performance criteria describe the performance needed to demonstrate achievement of the element.	
1	Select emergency actions to be applied	1.1	Threats or potential threats are recognised
		1.2	Agency/branch/base and/or police are alerted to potential aviation security threat/s and all relevant details and requests for supportive action are detailed
		1.3	Range of emergency actions are identified and analysed
		1.4	Security threat and appropriate emergency plans are matched
		1.5	Personal protective equipment is selected and worn in accordance with enterprise and emergency procedures
		1.6	Emergency actions are invoked in accordance with emergency procedures and in consideration of own safety, members of the public and the consignment
		1.7	Emergency actions are modified consistent with changes within the emergency environment in accordance with enterprise and emergency procedures
2	Maintain communications	2.1	Communications are maintained with agency/branch/base and relevant agencies/personnel in accordance with enterprise and emergency procedures
		2.2	Information is conveyed in a clear, concise and accurate manner
3	Report incident	3.1	Reporting arrangements are completed in accordance with workplace policy and procedures
		3.2	Police or other emergency services are provided with reports as required

Foundation Skills

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.

Australian Industry Standards

Range of Conditions

Range is restricted to essential operating conditions and any other variables essential to the work environment.

Threats must include one or more of the following:	• aviation transport security threats • dust and vapours • firearm handling • hazardous or dangerous materials • humidity, air temperature • persons with felonious intent • unlawful interference with aviation • vehicular, pedestrian and aircraft traffic
Personal protective equipment must include one or more of the following:	• gloves • safety headwear and footwear • firearms • two-way radios
Communication must include one or more of the following:	• mobile and fixed phones • radio • oral, aural or signed communications
Incidents must include:	• actual or potential breaches of aviation security arrangements

Unit Mapping Information

This unit replaces and is equivalent to AVIO2013A Undertake emergency response action to a security threat.
