Release 2

BSB50815 Diploma of International Business

Modification History

Release	Comments
Release 2	This version first released with BSB Business Services Training Package Version 5.0. Version created to update Elective Unit list.
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

Qualification Description

This qualification reflects the role of individuals working in various positions across a variety of industry sectors who possess a sound theoretical knowledge base in international business management. They may demonstrate a range of managerial skills to ensure that international business activities are conducted effectively in an organisation or business area. Typically they would have responsibility for the work of other staff and lead teams in conducting international business activities.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

Nil

Packaging Rules

Total number of units = 8

This qualification has no core units.

8 elective units must be selected, of which:

- 5 elective units must be selected from the Group A units listed below
- 1 elective unit must be selected from either the Group A units or Group B units listed below
- 2 elective units may be selected from the Group A or Group B units listed below, from this Training Package, or from any current accredited course or endorsed Training Package at this qualification level or Certificate IV or Advanced Diploma level.

Elective units must be relevant to the work environment and the qualification, maintain the integrity of the AQF alignment and contribute to a valid, industry-supported vocational outcome.
