Modification History

Release	Comments
Release 1	This qualification first released with BSB Business Services Training Package Version 1.0

Qualification Description

This qualification is suitable for people who apply advanced practical knowledge to coordinate, facilitate and maintain the Work Health and Safety (WHS) program in one or more fields of work in an organisation, such as a WHS practitioner or HR practitioner. They may work under the guidance of an occupational health and safety professional.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

All core units from BSB51315 Diploma of Work Health and Safety or equivalent competencies. Equivalent competencies are predecessors to the following units which have been mapped as equivalent:

- BSBWHS502 Manage effective WHS consultation and participation processes
- BSBWHS503 Contribute to the systematic management of WHS risk
- BSBWHS504 Manage WHS risks
- BSBWHS505 Investigate WHS incidents
- BSBWHS506 Contribute to developing, implementing and maintaining WHS management systems

Packaging Rules

Total number of units = 8

5 core units plus

3 elective units, of which:

- 1 elective unit must be from the listed electives
- up to 2 electives may selected from the listed electives, or from any currently endorsed Training Package or accredited course at Advanced Diploma level
