# Assessment Requirements for BSBAUD402 Participate in a quality audit

## Modification History

| Release   | Comments   |
|-----------|--|
| Release 1 | This version first released with BSB Business Services Training Package Version 1.0. |

## Performance Evidence

Evidence of the ability to:

- review and amend all relevant documentation
- develop an audit schedule using relevant tools and strategies
- use various methods to gather data and information to complete an audit, seeking specialist advice where appropriate
- use predetermined benchmarks to evaluate findings and formulate well-founded opinions
- develop a comprehensive report for the exit meeting, which analyses both context and consequences of the completed audit
- use terminology relating to quality auditing in written or oral communications.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

## Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- describe relevant auditing codes of practice or ethics
- outline auditing methods and techniques
- summarise current audit practices
- identify current industry products and/or services to assist in the auditing process.

## Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the regulation, licensing and risk – quality auditing field of work and include access to:

- workplace documentation including previous quality audit reports, checklists, risk management plans and audit plans.

Assessors must satisfy NVR/AQTF assessor requirements.
