Assessment Requirements for BSBCOM406

Conduct work within a compliance framework

Release: 1

Assessment Requirements for BSBCOM406 Conduct work within a compliance framework

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

Performance Evidence

Evidence of the ability to:

- conduct work according to relevant statutory, legislative and regulatory requirements relating to work practices
- analyse and keep up to date with compliance requirements
- map compliance requirements to work practices and position description
- seek advice and discuss ethical considerations
- reflect on personal actions.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- identify statutory, legislative and regulatory requirements relevant to job role, occupation or profession
- outline codes of practice relevant to job role, occupation or profession
- explain organisational policies and procedures relevant to workplace
- explain individual work requirements and practices as contained in position description and occupational standards
- outline statutory requirements and codes of conduct in context of individual job role.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the Regulation, licensing and risk – compliance field of work and include access to:

- legislation, regulations and codes of conduct relevant to job role, occupation or profession

- information about relevant professional associations
- position descriptions
- organisation policies and procedures relevant to job role, occupation or profession
- case studies and, where possible, real situations.

Assessors must satisfy NVRAQTF assessor requirements.
