BSBCUE308 Conduct outbound customer engagement

Release: 1

BSBCUE308 Conduct outbound customer engagement

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

Application

This unit describes the skills and knowledge required to conduct outbound engagements in relation to enquiries or sales of particular products and services to meet both customer and business needs.

It applies to individuals who apply a broad range of competencies in a varied work context, using some discretion and judgment and relevant theoretical knowledge, and who may provide technical advice and support to a team. This work is undertaken with some supervision and guidance.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Stakeholder Relations – Customer Engagement
