Assessment Requirements for BSBFIA304 Maintain a general ledger

Modification History

Release	Comments
Release 1	This version first released with Business Services Training Package Version 1.0.

Performance Evidence

Evidence of the ability to:

- accurately enter data
- reconcile subsidiary ledger systems with general ledger and prepare a trial balance
- implement double-entry principles
- systematically trace errors or refer them to appropriate people
- complete all tasks in accordance with accounting principles, legal and organisational responsibilities, and within scope of own responsibility.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- list key provisions of relevant legislation and regulations, standards and codes of practice that may affect aspects of financial operations
- briefly describe the organisational accounting systems and procedures
- explain how to check for errors or discrepancies
- list and describe tasks that are outside own scope of responsibility.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the financial administration field of work and include access to:

- office equipment and resources
- computer equipment and relevant software

- examples of source journals
- case studies and, where possible, real situations.

Assessors must satisfy NVR/AQTF assessor requirements.
