Performance Evidence

Evidence of the ability to:

- document steps undertaken to establish payroll system
- use data and calculations to reconcile salaries, wages and deductions in accordance with all legislative and organisational requirements
- create accurate payroll management records.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- explain key provisions of relevant legislation, standards, regulations and codes of practice that may affect aspects of payroll operations
- outline organisational policies and procedures across the full range of tasks for the required payroll processes.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the financial management field of work and include access to:

- office equipment and resources
- workplace policies and procedures
- samples of financial data

- business technology
- payroll system
- case studies and, where available, real situations.

Assessors must satisfy NVR/AQTF assessor requirements.
