Application

This unit describes the skills and knowledge required to develop, implement and review guidelines and procedures for mediation within an organisation, or on behalf of an organisation.

It applies to individuals who have a role in human resource management of mediation within their organisation, or who may work as consultants providing mediation services to organisations ensuring the policy framework required for the management of mediation and the skills associated with the provision of mediation.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Workforce Development – Human Resource Management

Elements and Performance Criteria
