Consolidate and maintain library industry
knowledge**

Release: 1

Assessment Requirements for BSBINS407 Consolidate and maintain library industry knowledge

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 7.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- on at least one occasion, source, assess and review information for the library industry.

In the course of the above, the candidate must:

- explain value and principles of relevant industry sector, and how they relate to funding and service delivery
- identify and distribute major industry trends and technology developments.
- recognise legislation and ethical issues relevant to the workplace.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- sources of information on relevant industries
- current and emerging technologies relevant to a range of sources of information
- underpinning values, principles and philosophies of the library industry
- key features of legislation and ethical practices impacting the library industry
- career opportunities and employment conditions in the library industry
- current trends within the relevant industry sectors and the potential impacts and opportunities they present
- funding models in the library industry
- nature, role and functions of relevant major professional associations or industry bodies.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- current sources of library industry information.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
