BSBITU102 Develop keyboard skills

Release: 1

BSBITU102 Develop keyboard skills

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

Application

This unit describes the skills and knowledge required to develop basic keyboard skills using touch typing techniques in a broad range of settings.

It applies to individuals who perform a range of mainly routine tasks and generally work under direct supervision using limited practical skills and fundamental knowledge.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Information and Communications Technology – IT Use
