## BSBITU307 Develop keyboarding speed and accuracy

### Modification History

Release	Comments
Release 2	This version released with BSB Business Services Training Package Version 2.0.  Version created to remove reference to retired standard.
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

### Application

This unit describes the skills and knowledge required to develop keyboard skills with speed and accuracy using touch-typing techniques.

It applies to individuals operating in a range of environments who are required to enter text and data with speed and accuracy. Individuals may provide administrative support within an organisation, or may be technical/knowledge experts responsible for production of their own word processed documents.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

### Unit Sector

Information and Communications Technology – IT Use
