Application

This unit describes the skills and knowledge required to lead and manage effective workplace relationships.

It applies to individuals in leadership or management who have a prominent role in establishing and managing processes and procedures to support workplace relationships taking into account the organisation's values, goals and cultural diversity.

At this level work will normally be carried out within complex and diverse methods and procedures, which require the exercise of considerable discretion and judgement, using a range of problem solving and decision making strategies.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
