Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

Performance Evidence

Evidence of the ability to:

- explain differences between Australian law making institutions
- identify appropriate institutions to hear civil versus criminal proceedings
- explain how adversarial system of trial operates
- explain application and outcomes of principles of precedent
- read and interpret legislation.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- list institutions and main features of the Australian legal system
- identify legal terminology in relation to areas of practice of law and relevant legal processes
- outline methods used to identify appropriate information about sources of Australian law
- list scope of responsibilities in context of legal framework.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the legal services administration field of work and include access to:

- office equipment and resources
- legislation and regulations relevant to common legal matters
- people with expert knowledge.

Assessors must satisfy NVR/AQTF assessor requirements.
