# Assessment Requirements for BSBLEG418 Produce complex legal documents

## Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

## Performance Evidence

Evidence of the ability to:

- demonstrate that confidentiality and security of information are maintained
- design and produce accurate documents that conform to specified standards within agreed timelines
- use advanced functions of at least one software package, or integrate functions of at least two software packages, in document production.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

## Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- explain the organisation's policies and procedures in relation to precedent design
- outline relevant legislation, rules, regulations, and codes of practice
- explain the process for developing and testing templates.

## Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the legal services administration field of work and include access to:

- office equipment and resources
- relevant industry software packages
- organisational policies and procedures
- relevant legislation and regulations
- appropriate sources of information.

Assessors must satisfy NVR/AQTF assessor requirements.
