Assessment Requirements for BSBLIB402 Consolidate and maintain industry knowledge

Assessment Requirements for BSBLIB402 Consolidate and maintain industry knowledge

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 2.0.

Performance Evidence

Evidence of the ability to:

- source, assess and evaluate a range of information for the relevant industry sector
- explain value and principles of relevant industry sector, and how they relate to funding and service delivery
- recognise legislation relevant to the workplace and ethical issues
- identify major industry trends and technology developments
- identify a career path.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- identify sources of information on library and information services and/or cultural industry sectors of museums and galleries
- outline historical development of relevant industry sectors
- explain underpinning values, principles and philosophies of the relevant industry sectors
- identify legislation and ethical practices impacting the relevant industry sectors
- outline career opportunities and career pathways in the relevant industry sectors
- discuss current trends within the relevant industry sectors and the potential impacts and opportunities they present
- explain the nature, role and functions of relevant major professional associations or industry bodies
- discuss employee and employer obligations.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the Library – Industry Capability field of work and include access to:

- current sources of industry information
- appropriate technology to undertake research and prepare documents.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
