Release: 1

BSBMKG509 Implement and monitor direct marketing activities

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

Application

This unit describes the skills and knowledge required to implement, monitor and evaluate effectiveness of direct marketing activities in accordance with an organisation's marketing plan.

This unit applies to individuals working in marketing management roles who are responsible for managing a team to implement direct marketing activities for a product or service. They may work in small, medium or large enterprises and across a variety of industries.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

Business Development – Marketing
