Performance Evidence

Evidence of the ability to:
- plan, coordinate and review promotional activities undertaken in an international context
- produce a report detailing activities and recommendations to inform and guide future promotional work.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:
- identify available overseas media
- summarise cultural characteristics of groups within target market
- list relevant international business networks
- outline marketing strategies and promotional activities suitable for international markets.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the business development – marketing field of work and include access to:
- office equipment and resources
- feedback on activity from overseas personnel/clients
- case studies and, where possible, real situations
- interaction with others.

Assessors must satisfy NVR/AQTF assessor requirements.
