Application

This unit describes the skills and knowledge required to research, develop and present a marketing plan for an organisation.

It applies to individuals working in senior marketing positions who are responsible for formulating a marketing plan by developing specific marketing strategies and tactics in accordance with the organisation's overall marketing objectives.

Individuals operating at this level may receive input from people working under their supervision who collect information required to devise specific marketing strategies and tactics.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
