Assessment Requirements for BSBPMG422 Apply project quality management techniques

Assessment Requirements for BSBPMG422 Apply project quality management techniques

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 7.0.

Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- support project managers and other team members to apply project quality management techniques during at least two different projects.

In the course of the above, the candidate must:

- work in a team environment to plan and develop quality management and continuous improvement parameters
- apply quality management techniques in a project relevant to the organisation and industry context
- maintain accurate quality records
- contribute to project continuous improvement process.

Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- organisational policy and procedures for project quality
- continuous improvement processes
- quality-assurance processes and requirements
- quality-control processes and requirements
- quality criteria relevant to industry
- quality management tools and methodologies relevant to industry and organisation
- quality standards and their place in the project life cycle.

Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

PwC's Skills for Australia

This includes access to:

- project documentation used for quality management purposes
- project records.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
