Assessment Requirements for BSBPMG514 Manage project cost

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

Performance Evidence

Evidence of the ability to:

- work closely with others to determine resources against budgetary frameworks
- prepare a budget and cost-management plan for a project
- monitor costs across a project's life cycle including solving cost variations and analysing possible alternatives
- record expenditure, create accurate financial reports and review cost-management processes.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- explain appropriate budgeting processes, tools and techniques
- describe methods and tools for costing and cost analysis
- explain strategies for managing costs and their application in different situations
- outline processes for reviewing costs against outcomes
- summarise key organisational policies and procedures applicable to this role.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the management and leadership – project management field of work and include access to:

- workplace documentation, including budgets and other financial documents
- case studies and, where possible, real situations.

Assessors must satisfy NVR/AQTF assessor requirements.
