Assessment Requirements for BSBPMG515 Manage project human resources

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

Performance Evidence

Evidence of the ability to:

- plan and allocate human resources to a project
- identify and organise project personnel training and development
- manage project personnel to achieve project outcomes
- apply human resource management (HRM) methods, techniques and tools to the project.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- summarise human resource management (HRM) methods, techniques and tools
- explain strategies for managing project human resources and their application to different situations
- explain processes used to measure individuals' performance against agreed criteria
- explain techniques for managing and improving performance.

Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the management and leadership – project management field of work and include access to:

- project documentation
- case studies and, where possible, real situations
- interaction with others.

Assessors must satisfy NVR/AQTF assessor requirements.
