# Assessment Requirements for BSBPMG617 Provide leadership for the program

## Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 1.0.

## Performance Evidence

Evidence of the ability to:

- display effective communication skills to liaise with stakeholders
- demonstrate ethical behaviour
- model leadership skills to lead a program
- negotiate a program vision with others
- lead a program to develop and sustain the documented program vision
- embed confidence, trust, ethical and sustainable practices in an enterprise program
- develop and support personnel within the program environment
- design knowledge management methods and processes.

Note: If a specific volume or frequency is not stated, then evidence must be provided at least once.

## Knowledge Evidence

To complete the unit requirements safely and effectively, the individual must:

- compare behavioural models for the role of program manager
- explain communication and negotiating styles and approaches
- describe current ethics, equity and fairness norms, regulations and legislation
- list learning and development methods and strategy
- compare types and formats for program vision.

## Assessment Conditions

Assessment must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities experienced in the management and leadership – project management field of work and include access to:

- workplace documentation regarding program leadership

- feedback from stakeholders, which reflects how program leadership was implemented for a program.

Assessors must satisfy NVR/AQTF assessor requirements.
