Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 7.0.

Application

This unit describes the skills and knowledge required to develop and implement workplace sustainability policies and to modify the policy to suit changed circumstances.

The unit applies to individuals with managerial responsibilities who undertake work developing approaches to create, monitor and improve strategies and policies within workplaces. These individuals also engage with a range of relevant stakeholders and specialists.

‘Sustainability’ in this unit refers to a broad approach that focuses on the minimisation of an organisation’s social, economic and environmental impact, as well as proactive value creation in these areas.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
