BSBTEC203 Research using the internet

Release: 1

BSBTEC203 Research using the internet

Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 7.0.

Application

This unit describes the skills and knowledge required to plan, conduct and present research using the internet within an organisational context.

The unit applies to individuals who perform a range of routine tasks in the workplace, using a limited range of practical skills and fundamental knowledge of research in a defined context, under direct supervision or with limited individual responsibility.

No licensing, legislation or certification requirements apply to this unit at the time of publication.

Unit Sector

Digital Competence - Technology Use
