**Release: 1**

# Assessment Requirements for BSBTWK401 Build and maintain business relationships

## Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 7.0.

## Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- communicate with others to build and maintain at least two different business relationships.

In the course of the above, the candidate must:

- promote professional business relationship using written and verbal communication techniques
- identify methods to improve business relationships
- participate in formal and informal networking opportunities that promote the business.

## Knowledge Evidence

The candidate must be able to demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including knowledge of:

- strategies for establishing and maintaining business relationships
- methods of engaging with business contacts including through participation in professional networks and associations
- relevant networks, organisations, agencies, associations or individuals
- principles and techniques needed to negotiate positive outcomes
- organisational policies, plans and procedures relevant to business relationships
- methods for obtaining feedback on business relationships.

## Assessment Conditions

Skills in this unit must be demonstrated in a workplace or simulated environment where the conditions are typical of those in a working environment in this industry.

This includes access to:

- workplace documentation and resources

- interaction with others.

Assessors of this unit must satisfy the requirements for assessors in applicable vocational education and training legislation, frameworks and/or standards.
