## Modification History

Release	Comments
Release 1	This version first released with BSB Business Services Training Package Version 7.0.

## Performance Evidence

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, and to:

- actively participate in two different work activities that contribute to the health and safety of self and others
- identify and report at least one hazard to designated personnel.

During the above, the candidate must follow required procedures and instructions relating to work health and safety (WHS) and incidents.

## Knowledge Evidence

The candidate must demonstrate knowledge to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit. This includes knowledge of:

- organisational safety policies, procedures, instructions and requirements relating to own work role in relation to:
  - checking systems and equipment
  - conducting routine work operations
  - personal protective equipment (PPE)
  - recording existing and potential WHS issues
  - responding to and reporting incidents and injuries
  - responding to fires and incidents
- meaning of commonly used hazard signs and safety symbols
- duty holder responsibilities, as specified in WHS laws, including:
  - self and co-workers
  - persons conducting a business or undertaking (PCBUs)
  - officers
  - others in the workplace

- distinction between hazards and risks
- WHS hazards that may be present in the workplace, including the harm they can cause and how this harm occurs
- process of hazard identification and risk control.

## Assessment Conditions

Assessment must comply with WHS laws, and WHS legal responsibilities and duty of care required for this unit. It must be conducted in a safe environment where evidence gathered demonstrates consistent performance of typical activities undertaken by individuals carrying out WHS duties in the workplace, and must include access to:

- organisational policies, standard operating procedures, and work instructions covered in the knowledge evidence
- WHS laws relevant to performance evidence requirements
- opportunities for interaction with others
- workplace equipment and resources required for the performance evidence.

Assessors of this unit must satisfy the assessor requirements in applicable vocational education and training legislation, frameworks and/or standards.
